

A FEW LESSONS FROM WORKING IN TEAMS

Facundo Martínez
linkedin.com/in/fxmartinez

01

Communicating openly
and clearly is key for
success

02

All team members must
have clear and defined
roles and
responsibilities

03

Learn to respect others'
ideas and opinions on
the project

04

Define goals and
deadlines to help the
team feel motivated

05

Mistakes will happen in the process. Learn from them, and celebrate when you succeed!
